<p>Utility Customer Services</p>	<p><u>Section 1. Deposits.</u></p> <p>(A) Generally</p> <p>Before any person shall be entitled to utility service, he/she or the entity must pay a security deposit to the City unless specifically waived herein. Any security deposit may be applied by the City at any time in satisfaction of indebtedness for utility services which may be or become due to the City by the customer. After such application, the remainder thereof may be applied in discharge of any indebtedness of the customer to the City whatsoever and the City may use said deposit as if the City were the absolute owner thereof. This deposit shall not preclude the City from discontinuing, for non-payment, any and all services covered by this deposit regardless of the sufficiency of said deposit to cover such indebtedness for such services.</p> <p>(B) Residential Service</p> <p>The initial service deposit for residential utility service in the name of an individual(s) shall be established by consumer information received from a centralized database containing credit and consumer data information pertaining to the payment history of utility bills and other services (“Consumer Information Check” hereafter). The source of the Consumer Information Check may be without limitation credit information, consumer information, credit scoring services, fraud detection, and criminal records provided by national credit reporting repositories, and national criminal record databases, and/or local county systems.</p> <p>The Consumer Information Check will determine the amount, if any, of the deposit required to establish service. The specific amount of the deposit shall be as follows:</p> <p>(1) Individual(s) whose Consumer Information Check suggests a substantial risk of delinquency shall pay a deposit of two and one-half (2.5) times the average of estimated monthly billing at the location rounded to the nearest Fifty Dollars (\$50).</p> <p>(2) Individual(s) whose Consumer Information Check suggests a moderate risk of delinquency shall pay a deposit of one (1.0) times the average of estimated</p>

The customer shall be notified, in writing, of any deposit adjustment and/or amount due the City. The amount due, if any, shall be paid within thirty (30) days of notification. Failure to pay the additional deposit amount may result in disconnection of service.</p> <p>The initial service deposit for residential utility service in the name of an entity (corporation, partnership, company, etc.) shall be as set forth below for Non-Residential (Commercial) General Service.</p> <p>(C) Non-Residential (Commercial) General Service</p> <p><u>Electric</u> The initial service deposit for electric utility service shall be the greater of Two Hundred Seventy Five Dollars (\$275) or two and one-half (2.5) times the monthly average of estimated bill rounded to the nearest Fifty Dollars (\$50).</p> <p><u>Water and/or Sanitary Sewer</u> The service deposit for water and/or sanitary sewer service shall be the greater of Three Hundred Dollars (\$300) or two</p>

Interest on Deposits.</u></p> <p>Deposits paid to and held by the City of Lake Worth shall accrue simple interest. The interest on the customer's deposit shall be effective after the customer's service and the deposit have been in existence for a continuous period of six (6) months.</p> <p>The following procedure shall be utilized:</p> <p>(A) Deposit amounts shall be received and properly receipted in accordance with established procedures.</p> <p>(B) Each year, during the month of September, the City of Lake Worth shall establish the percentage rate to be applied on those monies on deposit on September 30 of that year. The percentage rate to be applied shall be based on the interest earned by the city for the deposits less a reasonable administrative fee for administration of the deposits. The City Manager shall be vested with the authority to approve the percentage rate to be applied and associated administrative fee.</p> <p>(C) Each year during the month of October, the accrued interest shall be credited and applied to the customer's account as payment towards the current bill. If the monies have not been on deposit for the entire year, the credit will be adjusted to reflect the actual number of months that the monies have been on deposit.</p> <p><u>Section 6. Underground Individual Service.</u></p> <p>Underground individual service, up to 200 AMP capacity, is available upon request by the customer. The cost of installation depends upon type of service, length and actual site conditions. As an alternative to paying Lake Worth Utilities for doing all of the work, the customer may provide all the necessary facilities (i.e. ducts, pedestals, pads, etc.), subject to the approval of the City of Lake Worth with the customer paying the balance of costs that the City of Lake Worth estimates are remaining. For service in excess of 200 AMP capacity, installation shall be by a licensed contractor in a manner approved by the Electrical Division of the City of Lake Worth.</p> <p><u>Section 15. General Area and Street Lighting.</u></p> <p>In areas where street lighting and/or private area lighting are not generally available, installation of such lighting service will be provided at the customer's expense. This cost will be a contribution in aid of construction, payable in advance. As an option, upon approval of the Electrical Utility of the City of Lake Worth, installation may be by customer's contractor.</p> <p><u>Section 16. Special Conditions.</u></p> <p>If specific electrical service other than that stated above is required, the City of Lake Worth, at the customer's request, will provide such service based on the estimated cost of installing such additional electrical equipment. This estimated cost will be a contribution in aid of construction, payable in advance by the customer to the City of Lake Worth. All services shall be subject to the applicable rules, regulations and tariff charges of the City of Lake Worth, including service charges.</p> <p><u>Section 17.
